

The Beginners Hanging Kit

Clear Hanging instructions are provided online at forstergallery.org. Select *Members Page* from the top menu, then *Hanging Instructions* from the drop-down menu.

To create your own hanging kit for works on canvas, from local suppliers you can buy:

1. The **Surface Protector Kit** available at K-Mart in Forster for approximately \$7. These adhesive pads are for the back of your work to prevent it scratching or marking the wall. A staple gun will ensure the pads do not fall off, but is not absolutely necessary.
2. The **Picture Hanging Wire** is available at Bunnings. It comes in various lengths and thicknesses, however, a 5kg load suits most canvases. A 10m roll costs around \$4. A 50m roll costs around \$17.
3. The **Hanger Pack** is available from all Mont Marte stockists for around \$5.50 and contains enough to hang 10 canvasses. Stockists include:

Tulls News	1/55 Wharf Street	Forster
Tully's News	68 Manning Street	Tuncurry
FoodWorks	85 High Street	Hallidays Point
Price Pirates	53 Manning Street	Taree
